

IT ACCEPTABLE USE AGREEMENT - STUDENT

PRESHIL VISION STATEMENT

At our core remains an unshakeable commitment to encouraging all children to set and achieve their own goals and to be respected as individuals in their own right. This is a commitment to our children to be nurtured and challenged in an atmosphere that inspires creativity and independent thinking in all areas of life and does not, overtly or subtly, use competition or punishment to motivate through the fear of failure.

As global citizens we encourage an awareness of world issues and encourage effort to make a positive difference. We believe that education should prepare students to be thoughtful, peace-loving and active citizens of the world. Preshil will remain a school that puts kindness, compassion and social relationships at the centre of its operations.

All users will use the Preshil Information and Communication Technology (ICT) system in an appropriate manner.
