OUR TRADITION OF GIVING

Preshil is a small school of unique beauty and heritage. It is one of only a handful of genuinely independent schools in Melbourne, and receives no funding from religious groups or other affiliated bodies. True independence means that Preshil has always relied on the support of its community to grow. Indeed, the school only exists today because past parents and alumni have given generously. Whereas in the past, Preshil's fundraising was often informal (legend has it that Margaret would simply 'pick up the phone' when the school needed something), today the Preshil Foundation is openly celebrating and continuing our tradition of giving in a way that encourages all families to participate.

You now have the option of making a tax deductible or non tax deductible donation to the Foundation when you pay your fees. This is a convenient way to support the school without the need for additional paperwork and we encourage all Preshil families to consider this option. You can also make a direct donation into the Preshil Foundation at any time. Please email foundation@preshil.vic.edu.au for the account details.

The Foundation has been mandated to raise funds to grow and enhance Preshil's buildings and infrastructure, ensuring the school remains at the forefront of progressive, child-centred education in Australia for the next 80 years and beyond. After all, Preshil isn't just 'any' school – our learning environment is one of national significance. Preshil needs funds to protect and safeguard this heritage.
