For Details & Bookings visit:
<https://www.trybooking.com/PGIH>

Places are limited!

Children can discover the art of ceramics, bake some Harry Potter treats or learn traditional Japanese resist dyeing techniques to design their very own sarong or something sculptural. We will also have time for our Kerbal Space Program and children can learn to program a traffic light.

Preshil has been running outstanding STEAM electives for several years now and is very keen to offer these opportunities during our school holidays, so please tell your friends.

Children need to bring morning and afternoon tea, lunch and a refillable drink bottle and remember not to bring anything containing nuts.

Don't forget a hat, sunscreen and comfortable clothes and shoes.

Remember: no hat means no outdoor play!

Location:

**Preshil Secondary Campus
12 - 26 Sackville St, Kew**
