

PYP Kindergarten and Primary Teacher of French

Preshil is a small, secular and progressive co-educational school for ages 3 and 4 through to Year 12. The students take an active role in their education and develop responsibility for their actions; they are encouraged to ask challenging questions, to know themselves, care for others and achieve excellence on their own terms.

The school's website is a valuable source of information in coming to an understanding of Preshil. The school philosophy is inspired by the work of Margaret J R Lyttle and builds continually on her work and the work of her niece, Margaret E Lyttle and the ideas of other educational theorists relevant to progressive education in 21st century Australia. The teachers are also inspired by the power of children to learn as they explore, investigate, question and discover through project work. We are seeking a vibrant, passionate and experienced educator to join our team working to create outstanding programs for every student.

Preshil is an authorized International Baccalaureate World School with Diploma Programme (DP), Middle Years Programme (MYP) and Primary Years Programme (PYP). While some experience in the IB programme is desirable a willingness to undertake the IB training is essential.
