FURTHER YOUR  
IMAGINATIVE, CREATIVE & INDEPENDENT THINKING  
IN AN IB WORLD SCHOOL

Preshil's International Baccalaureate (IB) Creativity and Innovation Scholarships are built on the IB programmes' objective to "develop internationally minded people who, recognizing their common humanity and shared guardianship of the planet, help to create a better and more peaceful world".\*

The School seeks to find applicants who will bring breadth to our community and we encourage enthusiastic and creative students to apply.

Preshil welcomes musicians, scientists, actors, engineers, athletes, film makers, YouTubers, authors, activists, artists and orators who are self-aware learners and who are ready to celebrate with us what they value about their learning.

The IB Creativity and Innovation Scholarships are for entry into Years 7 & 11.
